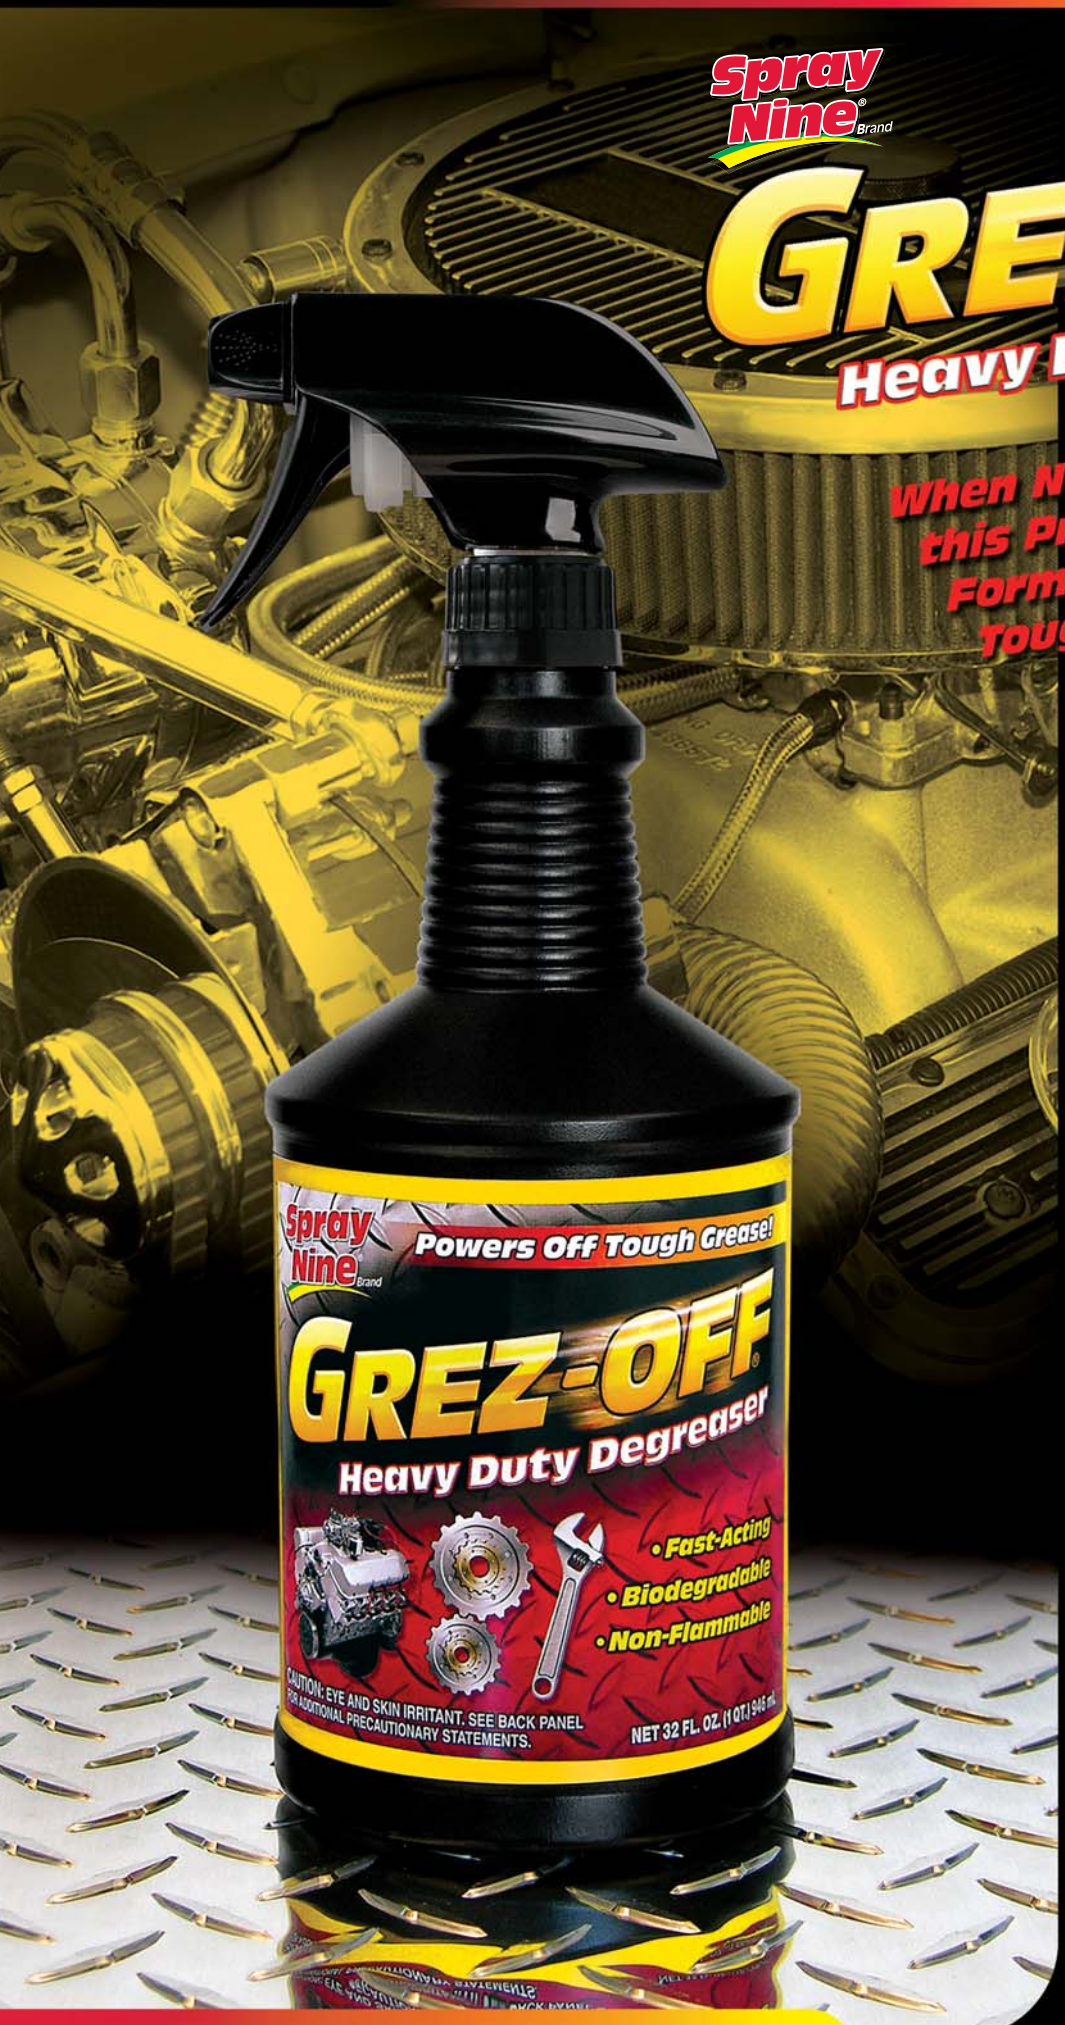
Spray Nine® Brand

GREZ-OFF®

Heavy Duty Degreaser

When Nothing Else Cuts It... this Professional Strength Formula Powers Off the Toughest Grease!



Powerful biodegradable formula without the harsh fumes!

Grez-Off's ready-to-use, water-based formula quickly degreases heavy duty automotive soils. Bolstered with fast-acting surfactants, Grez-Off penetrates grime and lifts it away like no other product can. Ideal for removing heavy grease, dirt, 5th wheel grease, lubricants, oil, hydraulic fluid, grime, heavy moly grease and tar.

Made with you and the environment in mind...

- *No harsh fumes or unpleasant odors*
- VOC compliant in all 50 states
- *Readily biodegradable according to OECD 301-C Modified MITI Test (I)*
- Powerful water-based formula
- Non-combustible and non-flammable
- Non-acidic & contains no petroleum solvents
- No abrasives
- Ready-to-use (no mixing required)

Fast-Acting Grez-Off...
No elbow grease required.

- Oven Range Hoods
- Condenser Coils
- Machinery
- Stainless Steel
- Chrome
- Walls
- Asphalt
- Farm Equipment
- Lawn & Garden Equipment
- Garage Floors
- Gas Grills

DIRECTIONS

Note: Some surfaces such as aluminum alloys, plastic or painted surfaces are inherently sensitive to alkaline cleaners. **Do not use on motorcycles or glass.** Spot test on ALL surfaces before use. Do not inhale mist. Use with adequate ventilation. The use of safety glasses and protective gloves is recommended. **These directions must be followed or damage may result.**

1. Before degreasing, be sure that all surfaces are cool to the touch. Do not apply in direct sunlight or if air temperature is above 100ºF.
2. Spray Grez-Off full strength onto the cool pretested surface to be degreased.
3. Allow Grez-Off to penetrate the soil. **NEVER allow Grez-Off to dry on any surface.** Stubborn soils may require brushing or a second application.
4. Immediately rinse with water until no sudsing is noticeable.

Grez-Off penetrates oil stains on garage floors!

Biodegradable
